

# Home School Science Days

#### DOWNTOWN LANSING

200 Museum Dr. Lansing, MI 48933 impression5.org P. (517) 485-8116 Ext. 132 F. (517) 485-8125

TIME: Pre-K & K: 12:45 to 1:30 (Max 20. Parent attendance required.)

1st & 2nd: 1:45 to 2:30 (Max 20. Parent attendance recommended.)

**3**<sup>rd</sup> **& 4**<sup>th</sup>: 12:45 to 1:30 (max 25) **5**<sup>th</sup> **& 6**<sup>th</sup>: 1:45-2:45 (max 25)

**COST:** Science Lab Fee: \$5.00/child + Regular Admission Price. Payment due upon reservation.

### **OCT. 10** (Reserve by Oct. 4\*)

- [] Pre-K & K Senses
- [] 1st & 2nd Human Body Science
- [] 3<sup>rd</sup> & 4<sup>th</sup> Reactions!
- [] 5<sup>th</sup> & 6<sup>th</sup> Newton's Laws

## **NOV. 14** (Reserve by Nov. 8\*)

- [ ] Pre-K & K Science on the Go!
- [ 1 1st & 2nd Force & Motion
- [ ] 3<sup>rd</sup> & 4<sup>th</sup> Solutions & Mixtures
- [ ] 5<sup>th</sup> & 6<sup>th</sup> Endo- & Exothermic Reactions

#### **DEC. 12** (Reserve by Dec. 6\*)

- [ ] Pre-K & K Kitchen Chemistry
- [] 1st & 2nd Acids & Bases Science
- [ ] 3<sup>rd</sup> & 4<sup>th</sup> Nanotechnology 1
- [ ] 5<sup>th</sup> & 6<sup>th</sup> Combustion! Reactions!

#### **JAN. 9** (Reserve by Jan. 3\*

- [] Pre-K & K Light Exploration
- [ ] 1st & 2nd Light & Color Science
- [] 3<sup>rd</sup> & 4<sup>th</sup> Nanotechnology 2
- [] 5<sup>th</sup> & 6<sup>th</sup> Nuclear Science

## FEB. 13 (Reserve by Feb. 7\*

- [] Pre-K & K Space Explorations
  - 1 1st & 2nd Space Science
- [] 3<sup>rd</sup> & 4<sup>th</sup> Lights, Lenses & Prisms
- [ ] 5<sup>th</sup> & 6<sup>th</sup> Lights & Lasers

## **MAR. 13** (Reserve by Mar. 7\*)

- [ ] Pre-K & K Water Exploration
- 1 1st & 2nd Water Science
- 3 3rd & 4th Material Science Spoon Drop
- 3 5th & 6th Liquid Nitrogen & Dry Ice

## **APR. 10** (Reserve by Apr. $4^*$ )

- [ ] Pre-K & K Weather Exploration
- 1 1st & 2nd Weather Science
- 3rd & 4th Material Science Tensile Strength
- [] 5<sup>th</sup> & 6<sup>th</sup> Nanotechnology

## \*SPACE IS LIMITED! Members Only: Reservations are not required, but assure a spot.

Not yet a member? Join Today & Pay the member price! (Membership is as little as \$75.) Membership expiring soon? Renew Now! & Add 1 yr. to your existing expiration date!

## Plan to arrive at least 15 min. in advance for check-in, payment, and getting settled.

#### What happens when a class is sold out?

Every class has very limited space and we cannot sell extra tickets. We do not encourage younger students to join older classes as the planned activities reflect motor skills and social skills expected for the stated class age range.

#### What happens if we are late?

Space permitting, your child will still be allowed to attend the class. Please keep in mind that late arrivals are very disruptive to the class and your child will miss important introductions to the day's topic.

#### Is there a place to eat lunch?

We do not have a reserved lunch space for Homeschool Science Days. There is a small area to enjoy a snack or lunch, in the Launch Pad located on the main floor. This is first come space, and cannot be reserved.

#### Should I accompany my child at class?

An adult chaperone is required for Pre-K and Kindergarten. Adult participation in the 1<sup>st</sup> and 2<sup>nd</sup> class is encouraged, as students at this level benefit from your assistance with hands-on activities or guidance staying focused. For the older classes, most children won't need help but you are welcome to sit-in on any class.
