

Job Title: Programs Innovator
Full-Time/Permanent Position: 40 hours/week
(weekend hours are required)

Pay Rate to Start: \$15 hourly

Direct Supervisor: Betsy Mappilapampil, Programs Manager
Hiring Manager: Micaela Balzer, Director of Innovation & Learning

Position Duties:

- Delivers consistent, guest-oriented programs that are structured for hands-on learning.
- Works directly with the programs team led by the Programs Manager to deliver programs like STEM/STEAM, Big Science Lesson, L.A.B.S., Virtual STEM and other educational programs of the Science Center.
- Supports functions of Science Center that include event days, outreach, and daily operating procedures as needed.

Position Requirements:

- Knowledge and skills typically acquired through experience and coursework in informal education, with emphasis on education, science, and customer service.
- Ability to understand and follow curriculum guides.
- Ability to communicate effectively and professionally in individual and group settings and work with people of all ages.
- Ability to prioritize multiple, overlapping tasks while maintaining a pleasant, guest-focused attitude.
- Skill in using a computer with Windows-based software (word processing, spreadsheets, Google Drive, email).
- Must be able to perform physical activities for extended periods, operate a cash register and computer, and operate a motor vehicle. Must have a valid driver's license and acceptable driving record.

To Apply:

Please send a cover letter and resume to Betsy Mappilapampil at mappilapampil@impression5.org.

Notice:

A criminal background check is performed for all individuals who are employed or volunteer at Impression 5 Science Center. Unsatisfactory results of the background check will disqualify applicants from further consideration.
