

Winter 2020 L.A.B.S. Camps

Learning About Basic Science

Learn about basic science in fun and interactive day camps from 9 a.m. - 4 p.m. Before and after care are included with drop off as early as 8 a.m. and pick up by 5:30 p.m.

Please pack one snack and a lunch each day, along with weather-appropriate clothing.

MON. DEC. 21: Sunsational Science

Rain or shine, come celebrate the Winter Solstice with us as we explore the science of the sun and stars! You'll discover how solar panels work, learn about constellations, and cook a delicious treat using the power of the winter sun!

Age 5-6 Age 7-8 Age 9-11

TUES. DEC. 22: Cereal Science

Calling all breakfast cereal lovers! We'll conduct hands-on science experiments with your favorite cereals, design and create useful objects out of cereal boxes, and discover the scientific potential of milk! Pajamas optional!

Age 5-6 Age 7-8 Age 9-11

WED. DEC. 23: Tinker & Innovate

Get your brain gears roaring for an inquisitive day of reverse engineering! Mash-up materials, and hardware to invent a machine all your own! Come tinker with science all day long.

Age 5-6 Age 7-8 Age 9-11

MON. DEC. 28: Glow in the Dark

Be a chemist for the day! You'll make glow-in-the-dark artwork and learn about glow sticks' chemical reactions. Explore how certain fireflies, deep-sea creatures, and even mushrooms use bioluminescence to create their own glow.

Age 5-6 Age 7-8 Age 9-11

TUES. DEC. 29: Race to the Finish!

3...2...1... Learn how to race by experimenting with viscosity, friction, and even your own reflexes! Design your own tracks and test them for speed. Join us for friendly competitions in the name of science!

Age 5-6 Age 7-8 Age 9-11

WED. DEC. 30: Up in the Air

Get ready to explore the physics of things that fly, glide, and hover up in the air! Design and test your best paper airplane, discover how helicopters fly, and investigate projectiles. Unleash your energy in this high-flying camp!

Age 5-6 Age 7-8 Age 9-11

THURS. DEC. 31: New Year Science

Ring in the New Year full of science! We will celebrate New Year's Eve with festive science experiments! Develop fizzy chemical concoctions, discover the science behind fireworks, and even engineer a gravity-defying ball drop!

Age 5-6 Age 7-8 Age 9-11
